

# IRISH Trekker

August 2007 – Issue 33

Dear fellow-Trekkers,

This interim issue of the *Irish Trekker* aims to provide members with the essential information to keep walking and stay in contact over the next few months. Remember to check the website for changes to the walks' programme.

It is with regret that the committee recently accepted the resignation of Helen Warinton our PRO. Helen's family and work commitments are too demanding at present to allow her to carry the extra work-load. We wish Helen all the best and thank her for her fantastic contribution especially in organizing the Christmas party and producing the *Trekker* magazines.

## DIARY DATES

8 October

AGM. Dun Laoghaire Club, Haigh Terrace, Dun Laoghaire.

10 November

25th Anniversary Dinner. Dun Laoghaire Golf Club, Enniskerry.

## Walking Holidays in 2007

Many Trekkers have enjoyed walking holidays in Cappoquin, Co Waterford organized by Monty Tilsey and Chamonix in the French Alps, organized by Owen McKeown. A large group is now excitedly preparing for the imminent trip to Kandersteg in Switzerland under the leadership of Dick Ryan. Brendan Bracken's October group trip to the Cheviot Hills in north-east England should be worth the wait (F & M permitting)! Articles will follow in future issues.

## New Members

The group warmly welcomes new members Patricia Duffy, Camille Kelly, Tierna Kelly, Eudie Power, Judith Poynton, Hardik Shah and Barry Walsh.
